Helpful Watering Tips

- Don't let water pool on hard surfaces or flow down gutters.
- Utilize Eye on Water (www.eyeonwater.com to register or sign-in) and set up notifications to help monitor potential leaks. Make sure to get any leaks repaired within 10 days.
 - Use a shut-off nozzle when washing anything with a hose.
- Clean hard surfaces (such as driveways, sidewalks, and patios) with water only if there is a public health and safety concern.
