

Authorization for Electronic Billing

Dear Donala Customer,

In an effort to cut costs and provide more convenience to our customers, the District has obtained the software to send out bills via email. We feel this would be of particular interest to those who pay their bills with automatic withdrawal from their bank account and those customers who pay using an online bill pay through their banks. It not only saves the District postage but also envelopes and bill form costs.

Customers who receive their monthly bill via e-bill will have the newsletters available with a link on the e-bill.

To sign up for e-billing please complete the following:

Name: _____

Address: _____

Email Address: _____

Account #: _____ Date: _____

You should receive your e-bill no later than the end of the first week of each month. Should you not receive your bill please contact the District to have another one sent.

It is the responsibility of the customer to notify the District of any changes in their email address.
